TEAM GUERRILLA 7.50 X 31.50 / #DWS4109

UNDERCUTS

Flip Undercuts are a variation on our classic Sidecut™ shape. A flattened cutback area saves weight and gives these wheels their superior shape. They utilize the same Sidecut™ formula urethane so you know these wheels are hard, fast, and can take whatever you can throw at them. One ride and you'll know that Flip Undercuts are worthy of being part of the Sidecut™ family.
